

BERTIE COUNTY SUTTON DEEDS AND COURT RECORDS

Raw notes

BERTIE COUNTY – formed in 1720 from Chowan

NOTE: I checked Hertford Co - formed from Bertie, Chowan and Northampton in 1759 - but there are no records until the early 1800s – no Suttons in what is available. A burned county. Most of the people in that county came out of Nansemond – also burned – or Norfolk and Princess Anne Counties, Va

I checked the Wills and Deed abstracts in Gates Co – formed in 1779 from parts of Perquimans, Chowan and Hertford – good abstracts – no Sutton although one George Sutton had a will probated there in the 1800's.

Checked Edgecombe Co – formed in 1741 from Bertie – no Sutton in available abstracts but didn't see the deed abstracts and know they have been done

Nash County – formed from Edgecombe in 1777 - Wills – didn't check deeds other than there is a George – Will of Thomas Sutton – Nov Court 1807 – wife Catherine, sons Lemuel, John Vinson, daughters Charlotte Landman, Margaret, Catherine who got the legacy from her uncle George Sutton – grandson Nelson and Owen Landman

Checked Northampton Co – formed in 1741 from Bertie – good abstracts – most of people there were out of IOW and Nansemond Co, Va and indeed the n part of this county was in Va at some point. A John Sutton selling land in 1748 and disappearing.

DEEDS OF BERTIE COUNTY – 1757 – 1772 by Dr. Stephen Bradley

A John Smithwick Sr – Oct Court – 1762 – father was Edward

NOTE: His will was written in 1761 and according to court records probated April 1762 so the above will must have registered some months after it was executed. This would prove that John with that Will was indeed the son of Edward and had at least 2 wives

There many times John Sutton was a wit and proved the instrument in court – did not write down unless there was a reason. WHO WAS THIS JOHN SUTTON?? Would be one of the odd John's in Chowan that lived in the area now Hertford which was not formed until 1759

#275 –Nov 1739 – Jno Sutton to Andrew Irvin proved

BERTIE COUNTY COURT MINUTES – COURT OF PLEAS & QUARTER SESSIONS 1740 – 1743, 1758 - 1762 BOOK 11 by Weynette Parks Haun

NOTE: Not sure whose child she was

#802 – Dec 1766 – Deed from George and Cloannah Sutton to John Sutton proved

NOTE: This is important for several reasons. It probably gives us the name of the wife of George. There is a Cloannah Sutton a number of times in the records. In his Will of 1761, John Smithwick mentions a grandson John Sutton but does not give his parents. Smithwick does name a daughter Cloannah but no last name and he didn't give a married name for any of his daughters but we know some were married and who they married. Smithwick had at least 2 wives and appears to have lived a LONG life. One of his daughters md ca 1741. If Cloannah was also by the first wife then this John Sutton was most likely her son although the deed does not say so. It would answer a lot of questions.
